Penn'a. Freedmen's Relief Association,
No. 424 Walnut Street, Philada.

March 28/65

My dear Garrison:

I expect to come to Boston soon, and have an impression that I shall be there about the middle of next week. I am coming on Anti-Slavery, Pro-Freedmen business. I shall want to see you, Phillips, Quincy and others of your Board.

We were pleased

to hear from us yesterday,
through a letter of Mrs
Garrisons, though we should
have been better pleased
if the letter had given
a more cheerful account
of the health of our friend
Wd.

Nothing to prevent us
all from I am
dear Garrison,

Yours truly

[illegible]
